NORWEGIAN RADIO RELAY LEAGUE (NRRL) magazine, 'amatór radio' for February 1981 has on the cover our picture of Milwaukee's 'rádhaus' (City Hall) with the sign 'Amateur Radio Day May 17'! How's that for publicity? When 'red-vested' Governor Lee Sherman Dreyfus gave us the proclamation last May we were to publicize the event. We're still doing it! How's that, Governor?
